William Timothy Murray

Speaker Intro 1-Sheet (Brief)

William Timothy Murray is the author of *The Year of the Red Door*, an epic fantasy about a young man destined to become King. It is a tale of adventure, love, intrigue, loss, and the hope of redemption.

Blending themes from Classical Mythology as well as from Celtic and Appalachian Lore, Mr. Murray weaves a tale fraught with danger, and filled with intrigue, love, and, of course, magic. Readers have called his story "exciting," "epic," "mysterious," and even "poetic."

The Year of the Red Door is indeed a massive epic, spanning five volumes and some 2,216 pages, all of which was published within the span of a single year. Mr. Murray did this after he was told by over 30 publishers that it was an impossible task, one that they dare not attempt.

Striking out on his own, Mr. Murray accomplished what the traditional publishers called impossible. By doing so he planted himself firmly in the camp of Independent Authors.

Please welcome our [next] guest, a nominee for the Georgia Writer's Association 2016 Author of the Year Award, and a recipient of the B.R.A.G. Medallion, William Timothy Murray.
